The Christian Nationalist Crusade of Los Angeles, California, which organization publishes anti-Semitic literature and is headed by Gerald L. K. Smith, has published a leaflet (a copy attached) captioned, "Communism and Judaism," written by Charles W. Winegarner, identified in the pamphlet as the nephew of Gerald L. K. Smith.

The leaflet attempts to equate Communism and Judaism. On Page 4 there is reproduced a letter over the signature of the Director which letter has come to the Bureau's attention in the past. The letter dated 2/23/21 from Mr. Hoover, then Assistant to the Attorney General, to the Department of State, concerned a list received from the American Consul at Reval, Estonia, of persons in America receiving Bolshevik propaganda. Felix Frankfurter is included on the list.

The Director has noted previously concerning this letter that while it bears the signature "J. E. Hoover," it was dictated by "WWG," the initials of Warren W. Grimes, who was a Bureau supervisor in 1921.

This letter was discovered by Harold Noel Arrowsmith, Jr. who is known to delve in the Archives of the United States to attempt to uncover material like the above letter. He is particularly anti-Semitic and in fact was the original "angel" of George Lincoln Rockwell of the American Nazi Party.

Another portion of the Communism and Judaism leaflet which is interesting is the statement made that a "patriot" inside the Archives Office was responsible for declassifying a "buried document" which had been prepared by American Intelligence. The document was one allegedly prepared by a Captain Montgomery Schuyler concerning Russia. It is not further identified, however, the statement is made that it has been buried for over forty years.

The Communism and Judaism leaflet mentions that Winegarner has within his circle of friends a gentleman who is the scion and heir of a great fortune who dedicates himself to the question of Communism and Judaism and spends weeks and months in the libraries

Memorandum to Mr. Belmont
RE: HAROLD NOEL ARROWSMITH

in London, New York, Washington, Berlin, Heidelberg and Paris. It is believed that this friend of Winegarner is Harold Noel Arrowsmith. Arrowsmith's family reportedly owns the controlling interest in the Dun and Bradstreet Corporation.

It is possible that Arrowsmith, Winegarner, and Gerald L.K. Smith may have access to classified documents in the Archives through some source such as the "patriot" mentioned in the leaflet. It is possible that the prior letter concerning Frankfurter was made available by the "patriot."

Assistant Attorney General John W. Douglas by letter 2/19/64 furnished information that Arrowsmith was suing the Providence Journal Company, Providence, Rhode Island, in Federal Court in a libel action, and in the course of this libel suit, Arrowsmith has subpoenaed the Secretary of State Dean Rusk and the Administrator of the General Services Administration, Bernard L. Boutin. Arrowsmith has also requested they bring along certain documents, one of these documents is the above-referred to letter of the Director dated 2/23/21. The Department intends to file a motion to quash the subpoenas on the ground that the material sought by Arrowsmith is irrelevant.

Assistant Attorney General Douglas in his letter mentions that the Department has orally complained to Archives about the "apparent sloppiness of their procedures in permitting unauthorized and improper access to restricted documents entrusted to them."

RECOMMENDATIONS:

It is recommended that this memorandum be referred to the Domestic Intelligence Division for their consideration as to whether unauthorized persons may have access to classified documents in the National Archives or there is someone in the Archives who would improperly declassify Government documents.

February 28, 1964

RHM:gp

The letter dated February 23, 1921, was discovered by Arrowsmith in Archives prior to June, 1961. As a result of the release of this letter by Archives, Bureau Liaison had extensive conversations with the Acting Archivist concerning improper release of information. At our request, Archives placed a special restriction on any information originating from the FBI regardless of the agency depositing the document in Archives. This restriction requires that no such document be made available without specific Bureau approval. Inasmuch as this matter was thoroughly discussed with Archives in June, 1961, by Bureau Liaison and again recently by the Department, and there currently exists a restriction on the release of any Bureau information regardless of classification, no further action is being taken by the Domestic Intelligence Division.

COMMUNISM and JUDAISM

By Charles W. Winegarner

Editor's Note: It becomes easy for the enemies of Christian tradition to brand anyone as a 'hatemonger' who insists that Jews as such have had a special part in promoting, financing and organizing anti-Christian Communism. The statement which appears herewith will be reproduced in tract form for distribution in bulk. It is our opinion that it will serve a very constructive purpose for those who desire to express a deep conviction without conveying one iota of hate, bigotry or prejudice. Mr.

Any discussion of the Jew must be objective and compassionate. It is to be understood that any facts which I bring out in this discussion do not involve anything approaching hate or bigotry. When I refer to the Jew, as such, I am not referring to the Israel of the Old Testament and those children of Israel who were absorbed in the fulfillment of prophecy, by the name and teachings and Gospel of Jesus Christ.

Those who denied and repudiated Christ have since that day perpetuated a world-wide movement which any honest and intelligent observer must recognize as anti-Christian. It has been rather natural for organized Jewry to align itself with the forces committed against Christianity.

One of the most significant documents available to research students is a photostatic copy of a report made by the famous Intelligence Agency of Britain, Scotland Yard. This report has not been available until recently. It was buried in the Archives of the United States Government. Some months ago compatriots of mine, dedicated to research, observed that it had been de-classified and so we have reproduced it. A report from Scotland Yard cannot be viewed as a document of bigotry. Its first sentence reads: "There is now definite evidence that Bolshevism is an international movement controlled by Jews."

About the same time that Scotland Yard made this report, a White Paper was issued by the Dutch Government which dealt at some length with the subject and their conclusions were consistent with the findings of Scotland Yard.

Buried in the Archives of the U. S. Government was a document which had been carefully guarded through the years and only by chance did a dedicated research personality, (who happens to be my personal friend,) find that a patriot inside the Archives office had been responsible for de-classifying the buried document which had been prepared by American Intelligence. For forty years it would have been a criminal offense for any person to quote from this document, because it had been filed and identified

Winegarner has assembled his logic in such a convincing way that this statement should influence constructively the naive, the skeptical and the un-informed.

Anyone desiring a copy of this tract should enclose small donation to cover the cost of mailing, printing and handling. Address requests to the Christian Nationalist Crusade, P. O. Box 27895, Los Angeles 27, California.

as classified information. You will be shocked when you read some of the paragraphs from it. The Intelligence officer in charge of the preparation of the report was Captain Montgomery Schuyler. Here are three paragraphs from this report:

Hopes in Russia were frustrated by the gradual gains in power of the more irresponsible and socialistic elements of the population guided by the Jews and other anti-Russian races. A table made in April 1918 by Robert Wilton, the correspondent of the London Times in Russia, shows that at that time there were 384 "commissars" including 2 Negroes, 13 Russians, 15 Chinamen, 22 Armenians and more than 300 Jews. Of the latter number 264 had come to Russia from the United States since the downfall of the Imperial Government.

It is probably unwise to say this loudly in the United States but the Bolshevik movement is and has been since its beginning guided and controlled by Russian Jews of the greediest type, who have been in the United States and there absorbed every one of the worst phases of our civilization without having the least understanding of what we really mean by liberty.

Unfortunately, a few of our people in the United States, especially those with good lungs, seem to think that the Bolsheviks are as deserving of a hearing as any real political party with us. This is what the Russian cannot understand and I must say that without being thought one sided, I should not hesitate to shoot without trial if I had the power any persons who admitted for one moment that they were Bolsheviks. I would just as soon see a mad dog running about a lot of children.

You will think I am hot about this matter but it is I feel sure, one which is going to bring great trouble on the United States when the judgment of history shall be recorded on the part we have played. It is very largely our fault that Bolshevism has spread as it has and I do not believe we will be found guiltless of the thousands of lives uselessly and cruelly sacrificed in wild orgies of bloodshed to establish an autocratic and despotic rule of principles which have been rejected by every generation of mankind which has dabbled with them.

It is important that you understand thoroughly that when I say the word "Jew" I am not referring to every Jew on the street and every Jew in the world. To me the term means "official Jewry." I judge Jewish policy by the official proclamations made by the recognized Jewish organizations and leaders.

To illustrate: There are in Los Angeles two Jewish people by the name of Mr. and Mrs. Miller. They were "Communists for the F.B.I." They were never sincere Communists. They were operatives and agents. Mrs. Miller was singled out by some Los Angeles patriots and asked to run as a candidate for the Board of Education. The Conference of Rabbis, both Ortho-

dodox and Reformed, met and condemned Mrs. Miller and urged their congregations not to support her on the grounds that she was a right wing extremist.

As we all know, the Jewish issue arose during World War II. There were some very sincere citizens who opposed this war. They included the great industrialist Henry Ford, Col. Charles A. Lindbergh, General Wood, President of Sears, Roebuck, Gerald L. K. Smith, Father Charles E. Coughlin, U. S. Senator Burton K. Wheeler, and even Ambassador Joe Kennedy, who at one time said: "We will enter this war only over my dead body."

Organized Jewry was determined to represent all people who had been critical of official Jewish policy as pro-Nazi, which, of course, was a false premise, because all the people named above were patriots and loyal Americans above reproach. One of the top men in Military Intelligence was Colonel John Beaty, who had been given a leave of absence from Southern Methodist University to fulfill this war-time responsibility. He was assigned the task of doing an investigative job on all these individuals who had at any time discussed the Jewish question. He was even advised that some of them might be indicted and put away for the duration. The research Colonel Beaty did on the subject in order to fulfill his responsibility made him one of the most renowned students of the Jewish question in America or the world. He was so impressed by what he found that he produced a best-seller entitled "The Iron Curtain Over America." This is perhaps one of the most responsible and objective studies of the Jewish question as it relates to Communism to be found in the world. Colonel Beaty suffered much persecution and abuse, but his book remained a best-seller, and although he recently died it is in its 21st edition.

The most famous Rabbi of this century and the most influential Rabbi of this century was Rabbi Stephen Wise. When interviewed concerning Communism he said: "Some call it Communism, but I call it Judaism."

Jews that have taken a strong stand in defense of right wing policies and in opposition to Communism have become virtual outcasts.

For instance, there is in Los Angeles a man known as Rabbi M. J. Merritt. He came to the defense of Senator McCarthy. He came to the defense of General Edwin Walker. Recently a propaganda book entitled "Right Wing Extremists" came off the press and in this book the author refers to Rabbi Merritt as "Gerald L. K. Smith's pet Rabbi." I happen to know, because I inquired, that these men have never met.

Rabbi Merritt joined with Rabbi Benjamin Schultz in forming an organization known as the Jewish League Against Communism. Rabbi Schultz was the pastor of a strong influential synagogue in New York. The Rabbinical Council of New York met and by resolution urged the Schultz congregation to ask for his resignation. They not only forced him to resign, but he was not even allowed to come and stand in his own pulpit for the resignation. Thereupon the recognized Jewish organizations in America issued a resolution of warning urging the Jewish communities to avoid Rabbi Schultz (the McCarthyite) and his anti-Communist League.

Prominent Jews, with the exception of a few outcasts, when not committed to pro-Communism and appeasement policies, are almost without exception committed to a program which supports the anti-anti-Communists. They may not support Communism directly, but they are always happy to liquidate McCarthyism, right wing patriotism, etc.

These groups have invariably encouraged those who seek to abolish the House Committee on Un-American Activities. They have furnished much of the propaganda designed to reflect on the integrity and purpose of J. Edgar Hoover.

The President's chief advisor, Arthur Schlesinger (a Jew), said in an address shortly before Mr. Kennedy became President: "America's progress depends largely on its ability to dispense with the Christian myth."

One of the most prominent men to become concerned with this issue was the late great industrialist Henry Ford. He called in his two chief advisors, W. J. Cameron and Ernest Liebold, and instructed them to carry on a program of research regardless of the cost. Mr. Ford was a personal friend of my Uncle, (Gerald L. K. Smith) and gave him information to the effect that at least \$5,000,000.00 was spent surveying the Jewish question. He came up with a series of articles which summarized the research, and these were published in what was Mr. Ford's official house organ, the Dearborn Independent. The title of the series was "The International Jew." It did not contain one word of hate. It was objectively prepared, but it created a terrific and tremendous stir. Boycotts were organized. Mr. Ford was represented by the press as a fool, a devil and a bigot. Extremists and fanatics wrote anonymous letters and made anonymous calls and brought many threats to bear upon the Ford family and the Ford business. Junior executives went into the courts and drew up injunctions prohibiting the republication of this book. It was taken out of libraries and burned, and it became completely unavailable. At one time copies of this series sold for as high as \$700.00, although it had originally sold for less than \$3.00.

Not long ago the attorneys which had been commissioned to watch this copyright fell asleep at the post and an alert patriot caused this book *The International Jew* to be republished.

This sensational piece of research is now available in the form of a new edition.

Within my circle of friends is a gentleman, a few years older than I am, who is the scion and heir of a great fortune. Some years ago he became interested in this subject and decided that he would dedicate himself to it. He spent weeks and months in the libraries of London, New York, Washington, Berlin, Heidelberg and Paris. He is a natural born intellectual with many college degrees. He came out of these libraries with volumes of quotations. The last time I visited with him in Washington, D. C., he confided in me that he had spent over one-half million dollars of his personal money searching for quotations and documented facts which, indeed, support the logic of this article. He turned over to me and my compatriots something approaching 12,000 microfilmed photostats. It is a sad fact to face and sometimes it is a dangerous

fact to face, but nevertheless honest men must face it. Scotland Yard was right when in their report they said: "There is now definite evidence that Bolshevism is an international movement controlled by Jews."

Don't ask me to tell you why this is the case. That is another subject, and space won't permit its discussion, but nevertheless it is the fact. We have condensed out of these quotations a handbook which contains no comment. Merely quotations, mostly from Jews, boasting of their support, and in many instances taking full credit for the existence of Communism.

To give you some idea of the contents of this handbook of quotes, I insert below a few typical quotations:

" . . . The defeat of McCarthyism . . . has . . . strengthened the position of the Jews [in the United States]."

Rabbi Dr. J. Litvin*, in *The Gates of Zion** (London: Central Synagogue Council of the Zionist Federation of Great Britain and Ireland*), October 1955, p. 3.
(X/1)

" . . . The Soviet State is . . . the most Judaized State in the world . . . "

La Revue hebdomadaire (Paris), 23 November 1935, p. 447.
(44/48)

"It is very important to note that from the smallest districts up to the very head the [Soviet] Government is composed almost of Jews, Russian Jews. Lenin is the only real Russian in the Government. . . . The Jews surrounding him are demagogues and rascals."

R. R. Stevens (Representative in Russia of the National City Bank of New York), October 28, 1918, National Archives (Department of State), 861.00/3357, p. 3.

"Everybody, friendly or unfriendly, who has come in contact with the Bolsheviks agrees that they are almost entirely Jews."

H. A. Gwynne, *The Cause of World Unrest* (New York, 1920), p. 115.

" . . . The communist soul is the soul of Judaism."

Harry Watson*, *A Program for the Jews and an Answer to All Anti-Semites* (New York: Committee for the Preservation of the Jews*, 1939), p. 143.

" . . . Judaism is the driving force of Communism . . . "

Professor F. A. Ossendowski, in *The Nineteenth Century and After* (London), January 1926, p. 29.

" . . . Jews must join . . . in fighting against the anti-Communist hysteria."

*Jewish Life** (New York), July 1951, pp. 4-5.

"This achievement [the Russian revolution], destined to figure in history as the overshadowing result of the world war, was largely the outcome of Jewish thinking, of Jewish discontent, of Jewish effort to reconstruct. . . . The Bolshevik movement is neither polite nor tolerant; in its initial phase it was purely destructive. Force was needed to clear the Russian ground of the accumulated abuses of centuries. . . . [434/507] The military, economic and political power which Soviet Russia is developing in the face of the united opposition of the rest of the world is a sign of the passing of the destructive phase of the Lenin-Trotzky revolution, which may also mean the passing of Lenin and Trotzky themselves. . . . This rapid emer-

gence of the Russian revolution from the destructive phase and its entrance into the constructive phase is a continuous expression of the constructive genius of Jewish discontent. What Jewish idealism and Jewish discontent have so powerfully contributed to accomplish in Russia, the same historic qualities of the Jewish mind and heart are tending to promote in other countries."

Svetozar Tonjoroff, in *The American Hebrew** (New York), September 10, 1920, pp. 434, 507.
[Edited by Isaac Landman*]

" . . . The average Pole and especially the Army, looks on Bolshevism as an entirely Jewish invention and affair."

Captain Peter E. Wright, in *Report by Sir Stuart Samuel on His Mission to Poland* [Miscellaneous No. 10 (1920)—Cmd. 674] (London, 1920), p. 29.

" . . . In a large measure Moscow has the appearance of a New Jerusalem."

La Revue hebdomadaire (Paris), November 16, 1935, p. 280 (44/47)

" . . . The Secretary of War [Winston Churchill] charges Jews with . . . engineering a 'world-wide conspiracy for the overthrow of civilization' . . .

*The Jewish Chronicle** (London), February 13, 1920, p. 8.

"Zionism and Bolshevism do grow side by side. It cannot be otherwise. The one engenders the other."

L. Fry, *An Analysis of Zionism* (London, 1936), p. 9.

" . . . Karl Marx, who came from an old . . . family of rabbis and brilliant Talmudic scholars, was to . . . point the path of victory for the proletariat."

I. Rennap*, *Anti-Semitism and the Jewish Question* (London, 1942), p. 31.

"On his return from a visit to the Soviet Union, S. Mikunis, secretary of the Israel Communist Party, stated on Jan. 18 [1957] in Tel Aviv that . . . there were 260,000 Jews in the Soviet State apparatus, the [Communist] Party, science, literature and art. He added that 40 per cent of all Soviet professors were Jewish."

"ANTI-COMMUNISM IS ANTI-SEMITISM"

*Jewish Voice** (New York: National Council of Jewish Communists*), July-August 1941, p. 23 (1/6).

"The total destruction of Christianity is the main point aimed at. To accomplish this Russia runs red with blood."

Rev. R. Courtier-Forster (late British Chaplain of Odessa and the Russian Ports of the Black Sea), in *The Times* (London), December 10, 1919, p. 15.

"We have, to our shame, shut our eyes to the horrible persecution of Christians in [Soviet] Russia . . . "

Lieutenant-Colonel Sir Arnold Wilson, in *The Nineteenth Century and After* (London), June 1935, p. 665.

Friends of mine who were very close to the late Senator McCarthy reveal that he tried his best to discuss Communism in such a way as to avoid the accusation of anti-Semitism. In order to avoid that accusation he brought into his staff two young Jews, Mr. Roy Cohn and Mr. David Schine. Mr. Schine is the young man who is now head of the Hotel Ambassador Corporation. In spite of all these precautions, every accredited and official Jewish organization in America and the world not only condemned Senator McCarthy, but carried on a grisly campaign for his liqui-

dation and repudiation. At the same time they came to the defense of Robert Oppenheimer. Under pressure from Senator McCarthy and others, Oppenheimer was declared a security risk, and it was ruled by the Atomic Energy Commission that he should not have access to classified information having to do with atomic energy. Every Jewish organization in America became the mentor and virtual sponsor of Robert Oppenheimer. Their pressures became so effective and intense that the current Atomic Energy Commission has not only proposed his restoration to a position of honor, but has voted him a bonus of \$50,000.00 even though under oath it was revealed that he contributed money to the Communist Party, entertained Communists in his home and lived and cohabited for some years with a concubine who was a registered member of the Communist Party. It would be dishonest to challenge Jewry because of the activities of an occasional Oppenheimer or specific identified Jewish traitors, such as the Rosenbergs who spied on the atomic laboratories of America, but please be reminded, that we do not accept any evidence as *indicting* Jewry except as it represents the recognized officialdom of organized Jewry. The most important Jewish journal in America, at the time, the American Hebrew said:

The Bolshevik Revolution in Russia was the work of Jewish brains, of Jewish dissatisfaction, of Jewish planning, whose goal is to create a new order in the world. What was performed in so excellent a way in Russia, thanks to Jewish brains, and because of Jewish dissatisfaction and by Jewish planning, shall also, through the same Jewish mental and physical forces, become a reality all over the world.

We dare not ignore this statement.

When the national President of Jewry's most prominent and important organization, the Anti-Defamation League, says in the Beverly Hilton Hotel, as he did a few weeks ago, "We must consider all of these right wing organizations as suspect and potentially anti-Semitic," we cannot ignore his statement.

The background and activities of Justice Felix Frankfurter (the Jew) are almost too scandalous to define. Out of the Archives comes this letter written by the young investigator J. Edgar Hoover in the early days of his public career. It reads as follows:

Receipt is acknowledged of your letter of the 4th instant (U-H/681.00/7885) referring to a copy of dispatch No. 62 from the American Consul at Reval, dated December 1, 1920, relative to the disseminators of Bolshevik propaganda, submitting a list of the same and requesting a reply, the substance of which will be communicated to the American Consul at Reval, Latvia.

From an examination of the list of names and addresses submitted, it is indicated that at least the major portion of the list of thirty-two names is authentic, particularly because of the notation, J. Ferguson (evidently Isaac Ferguson); Felix Frankfurter; Jacob Hartman and Fred Biedennapp—all known to be actors in this movement.

Signed:

J. E. Hoover

Special Assistant to
the Attorney General

Only recently has another document been de-classified which establishes beyond the peradventure of a doubt that Felix Frankfurter even while Dean of the Law Department of Harvard University served as a propaganda personality for the international Communist forces.

I am a professed Christian and I hope I am a good American, and I believe it would be un-Christian and un-American to condemn any man because of his race or his creed, but I do believe that inasmuch as organized Jewry has a world-wide program and inasmuch as they have put their principles and their programs down in writing and approved them with resolutions, I have a right as a free citizen to discuss them and take issue with them without being accused honestly of bigotry and so-called anti-Semitism.

How can I ignore the fact that organized Jewry has boasted that the Supreme Court formula for abolishing prayers and devotions in our public institutions, including our schools, is a project of organized Jewry.

Today there is a case before the Supreme Court of the United States seeking to prohibit the Lord's prayer in schools. The 66 leading and official Jewish organizations have combined and have hired lawyers to present briefs in support of the abolition of devotions from our school system.

I don't need to tell you that all Jewish organizations oppose by resolution loyalty oaths, investigative committees and all organizations which are aggressively curbing left wing movements and activities. Do not forget that earlier in this article I pointed out that there are individual Jews who are exceptions to the rule, but they invariably have become virtual outcasts.

A Jewish commentator by the name of Professor Fishman comes on one of our television stations. No one could ask for better comment in support of strong patriotic right wing viewpoints, but only the other day under pressure from forces which need not be summarized here, he was suspended from the teaching staff of Los Angeles State College on the grounds that his extreme viewpoints endangered the welfare of this educational institution. No Jewish organization in this community has come to his defense except the little outcast organization which has no official standing, the Jewish League Against Communism.

What is the summary of this whole matter? It may seem a bit provincial to you and a bit old-fashioned. I have been exposed to much of the status symbol thinking and assembly-line conclusions of this generation, and perhaps you will say that I am reverting to type, like a Ph.D. Indian returning to his blanket, but it is my personal conviction, and I am not imposing this conviction upon the reader, that the force of Christianity is the most important factor on this earth. America is the most significant product of Christian civilization. America cannot be destroyed unless Christian faith is destroyed, and it is my firm belief that the forces opposed to Christianity have lined up against the forces which support Christianity. In other words, the great issue of the world is: Christ versus the anti-Christ.

HAROLD NOEL ARROWSMITH

The following information is being set forth concerning Harold Noel Arrowsmith who resides in Room 621, Congressional Hotel, 300 New Jersey Avenue, N. W., Washington, D. C., and whose prior actions and/or statements have depicted a propensity for violence and hatred against organized government.

In October, 1961, it was reported to the FBI that Harold Noel Arrowsmith conducts investigations concerning the influences exerted by the Jewish race on the American Government and has a mailing list of approximately 5,000 individuals to whom he mails his material. Arrowsmith has stated that the Jews have been responsible for the entry of the United States into World War I and World War II. It has been reported that Arrowsmith has spent some time in Germany and spoke to a number of individuals there pointing out the influence that the Jewish people have exerted in connection with recent American conflicts.

It has further been reported that Arrowsmith is extremely pro-Nazi and associated in the past with George Lincoln Rockwell, leader of the American Nazi Party. Arrowsmith is violently anti-Semitic and there are some indications Arrowsmith has some mental difficulty.

Arrowsmith does considerable research work in the Library of Congress and has indicated he is "on the staff of the Library of Congress." According to the records of the Library of Congress he has never been a member of the Library of Congress staff.

In November, 1963, a source, who has furnished reliable information in the past, advised Arrowsmith had a visit in his hotel room at the Congressional Hotel in the person of Herbert Wallace Butterworth, who has been known to be associated with the Knights of the Ku Klux Klan.

Gov. George C. WALLACE

LAST CHANCE FOR THE WHITE VOTER!

Governor George C. Wallace is a family man--combat veteran of World War II--lawyer--and a topnotch public administrator.

But, MOST IMPORTANT, he is the man who is going to give Maryland voters a chance to be heard -- a chance to let our timid politicians know exactly how we feel!

Thousands of thoughtful Marylanders are asking, "Nobody wants forced integration, but what can we do about it?" WE CAN DO PLENTY.

Read the newspaper clipping to the right. It boils down to this: Every vote for Wallace is like a telegram to our Senators.

We have all had enough of the sit-ins, outrageous negro demands, and the growing toll of negro-spawned crime and filth.

NOW IS THE TIME TO ORGANIZE AND PROTEST.

Read the clipping to the lower left. It shows exactly what will happen if a Federal "civil rights" Bill is passed. The average WHITE family will be the first to suffer. And that's just the start!!

This vicious, communist-backed Bill will shove the hands of the negro and government into every phase of your life -- employment -- recreation -- schools -- and into your home, the very foundation of the American concept of private property. This is what you must fight.

YOUR VOTE FOR WALLACE CAN HELP DEFEAT THIS SOCIALISTIC BILL.

DISPUTE ON F.E.P.C. ARISES IN ILLINOIS

Decision by Negro Attacked in Motorola Case

Special to The New York Times

CHICAGO, March 21—Political, business and civil rights circles in Illinois are being jarred almost daily by repercussions over a finding in the case of a Negro who contends that he was denied a job because of his race.

National importance has been given to the decision by the Illinois Fair Employment Practices Commission, which has been cited as an example of the dictatorial power the proposed Federal civil rights bill could give Government in telling a white employer whom he may hire.

The subject has been made an issue in the Illinois gubernatorial campaign, with Republican candidates stressing the matter and Gov. Otto Kerner, a Democrat, who is seeking re-election, trying to allay criticism.

The controversy was touched off by a report by Robert E. W. Stewart, executive director of the F.E.P.C., indicating he found a racial discrimination in a plant, that Motorola, Inc.

the radio and television company, had violated the state's Fair Employment Practices Act by refusing to hire him because of his race.

The examiner recommended in a ruling that requires confirmation by the employment commission, that Motorola cease giving applicants a standard ability test, devised by a professor at the Illinois Institute of Technology and used since 1949. The examiner considered the test to be unfair to "culturally deprived and disadvantaged groups."

First they demand a lunch counter--
now they want to transport White children to
negro schools---next they will take YOUR
paycheck and job.

THERE IS NO END TO THE DEMANDS OF A COMMUNISTIC MOB!

Opposing Governor Wallace will be Daniel Brewster. Brewster is an avowed INTEGRATIONIST and supporter of the "civil rights" Bill. Even more shocking is his CO-SPONSORSHIP of the notorious HART Bill. This crackpot Bill would allow thousands of alien negroes to enter our Nation. These ignorant blacks will take jobs from WHITES and quickly increase the crime rate. Mr. Brewster must think it clever to go looking for ignorant BLACK votes.....

..... AT YOUR EXPENSE!!

Vote for WALLACE MAY 19TH PRIMARY!

THOMAS O'NEILL

Washington.

Sober analysts all the way to the White House take a serious view of the entry of Alabama's Gov. George C. Wallace into the Presidential primaries, regarding his candidacy as neither a mere nuisance nor an indulgence of a swollen vanity. Instead, the outcome of the primaries he contests is seen as holding more meaning and potential for influencing the course of public affairs than all else on the year's political calendar.

The reasoning is immaculate:

A possibility is seen that a significant message may be flashed to Washington as early as the first of the primaries that in Wisconsin.

Gov. Wallace is--

Race ... the FACTS

The clipping shown to the right could never be printed in a BALTIMORE newspaper. The facts given in the clipping represent only a small part of the vast collection of recently published scientific works dealing with racial differences. Scientists, using the latest electronic devices, have proven that the negro race is INFERIOR! Researchers now insist that the negroes' lack of ability is not a result of "inequality"; they state that it is simply a matter of breeding, the difference between a FLOWHORSE and a THOROUGHBRED. No amount of education, integration or "brotherhood" can change the laws of nature! Of course, there is a rare negro who will show some special talent or ability. The tremendous amount of publicity given such a negro is a deliberate attempt to brainwash the WHITE public into accepting the negro as an "equal". Along with the propaganda barrage launched on TV and in the press, our children receive literature from highly questionable sources that advocates integration in its most undesirable form, SOCIAL INTEGRATION.

Other than the negro, WHO really wants integration? First, some well-meaning but grossly uninformed individuals, a few crackpots, the vote-hungry politicians, and ALL MEMBERS OF THE COMMUNIST PARTY, USA! The communist enemy could not want an easier victim than America; her children's education brought down to a primitive level, her culture and civilization ruined by the influence of the negro race. All of us know that the degenerates of the U. S. Supreme Court have forced integration upon the American people. But we also know that the WHITE population desires NO social contact with the negroes. In fact, most of us would move away from a decaying neighborhood; we would do this to ensure our children a QUALITY education and to ensure our entire families' safety.

Tell your friends--
-a vote for WALLACE
is a vote for

RACE & NATION!

In a memorandum from Mrs. Skillman to Mr. Tolson, dated 2-10-65, it was recorded that John Snyder, a student employed part time in the office of Congressman Barratt O'Hara (D - Ill.) had some information of possible interest to the FBI.

On 2-11-65 SA David W. Bowers contacted Marie Crowe, Administrative Assistant to Congressman O'Hara, concerning this matter. She stated Snyder would be in the Congressman's office that afternoon and that both she and Snyder desired to talk with an Agent. SA Bowers interviewed Snyder and Miss Crowe on the afternoon of 2-11-65.

Snyder, whose full name is John M. Snyder, resides at 1713 A Street, Southeast in Washington and currently is attending Georgetown Law School. He frequently goes to the Library of Congress, along with other students, to study in the evening. He explained captioned individuals are practically always at the Library of Congress and mingle with the students studying there. They claim to be scholars doing research. Arrowsmith claims to have a Ph.D. in biology from an unnamed university in Germany and alleged that he did his thesis based on studies of hundreds of Nordics in European countries, which studies proved the superiority of Nordic people. Arrowsmith claims to be studying the relationship between the Zionists and the Bolsheviks and alleges that wealthy New York Zionists contributed over half the money needed to finance Lenin's revolution in Russia. He also alleges that over 200 of the 300 early Bolshevik commissars actually were New York Jewish gunmen.

Duncan, according to Snyder, claims to be a scientist and socialist originally from Illinois. He purports to be studying the reasons behind U. S. involvement in World War I and says his research indicates there was a secret agreement between

the Zionists and the British; the Zionists agreeing to involve the U. S. in the war in return for British support for the Zionists' claims of Palestine.

Both Arrowsmith and Duncan, Snyder related, indict all liberals since World War I and equate liberalism with communism. He said they also allege that communism really is nothing more than a front for the Zionist Movement. Snyder stated Arrowsmith once mentioned to him that it would perhaps be a good idea for him (Snyder) to join the Communist Party and help swing it toward a rightest organization. He said Arrowsmith knows that he works for Congressman O'Hara and has inquired about the mechanical equipment (mimeograph and addressograph machines) in the office. He said Arrowsmith claims to have been a consultant for the House Committee on Un-American Activities (HCUA) and a close friend of Richard Ahrens, a former staff member of HCUA. Snyder stated that Arrowsmith lives on the sixth floor of the Congressional.

At this point, Miss Crowe interrupted to state that this was the reason for her concern since the Congressman lives on the seventh floor of the Congressional. She also related that on 1-11-65 the Congressman's Chicago Office had informed her that D. Washak, Editor of the "Daily Calumet" in Chicago, Illinois, had inquired of the Congressman's Chicago Office as to the Congressman's reaction to his being included on the Minutemen's list of 25 people "marked for their guns." She said they had long been aware that the Congressman was on the Minutemen's list but had never interpreted this as a threat of physical violence. She stated that Mr. Washak's inquiry, coupled with the information from Snyder regarding Arrowsmith and the fact that Arrowsmith resides one floor below the Congressman, concerned her.

It was pointed out to Miss Crowe that Arrowsmith is publicly known as a professional anti-Semitic and that the information she had supplied indicated no basis for our conducting any investigation. Snyder was informed that any association he continues with Arrowsmith and/or Duncan must be of his own choosing. Snyder furnished 13 documents, all of which are anti-Semitic in theme, which he had obtained from Arrowsmith and Duncan. These are enclosed.

The Minutemen list referred to above apparently is identical with a list of 20 Congressmen published in the 3-15-63 edition of "On Target," a newsletter of the Minutemen. Each of the Congressmen listed had voted against continuing appropriations for HCUA. We have interviewed Robert De Pugh, head of the Minutemen, regarding this list and accompanying story which attacked the Congressman and he has declared that the article was in no way meant to be a threat.

Mr. Samuel R. Davenport, in the Office of Coordinator of Information, House of Representatives, called and advised that he had received a call from Miss Crowe, in the office of Congressman Barrat O'Hara of Illinois, requesting that he come to see her. He went to see her and was told that there was a young man, John Snyder, who works on Saturday afternoons in Congressman O'Hara's office and who goes to Georgetown University, who had received some information she thought should be given to the FBI. The information he received, which Mr. Davenport did not receive, was from a man he met during his research work at the Library of Congress. Mr. Davenport, as previously stated, did not have all of the details but when I asked him if he had any idea as to what the information was about, he stated it has to do "with the Communist Party and also a group which intends to take over." Mr. Davenport said the young man, Mr. Snyder, was told to act as if nothing had happened so that he might get more information from the man.

Mr. Snyder works in the office of Congressman O'Hara only on Saturday afternoons and will be there this coming Saturday. Congressman O'Hara's office is in Room 1408, New House Office Building.

Mr. Davenport asked me to give you his regards. He stated he has talked to you before. I thanked Mr. O'Hara for giving the FBI this information.

DATE: 11/24/65

FROM : Legat, Bonn (100-960) (RUC)

SUBJECT: HAROLD NOEL ARROWSMITH, JR.
SM - C

On September 21, 1965, we received a copy of a confidential telegram from the Department of State to the American Embassies in London, Bonn, and Paris concerning subject's intended travel. He was to have departed from New York during September 1965 for scientific research in England, Germany, and France for four months.

The telegram stated that subject was a substantial financial contributor in 1958 to the movement leading to the foundation of the American Nazi Party. He was also described as dedicated to the theory that the communist movement is a Jewish conspiracy and as having vehemently charged the United States with "crawling to Zionist pressure."

This is being submitted for the completion of the Bureau files and since it appears that information in the State Department telegram probably originated with Bureau sources.

out in reWFOairtels in the ANP investigation. These persons could furnish no information that would relate ARROWSMITH to the ANP. Material which ARROWSMITH furnished them appeared to be reprints of public source material relating to the historical aspects of Zionism. Some of the material which was forwarded to Bureau and Richmond in the ANP investigation contained the address of "the Palestine Arab Delegation," and BOND stated that on one occasion a bulk shipment was made by Reliable of ARROWSMITH's material, after processing, to the Palestine Arab Delegation, 441 Lexington Avenue, Room 509, New York, New York.

Review of WFO file references to ARROWSMITH discloses the following of current interest:

ARROWSMITH has a long history of anti-Semitic propagandizing activity and is continuing along the same lines at present. ARROWSMITH has stated that he broke relationships with GEORGE LINCOLN ROCKWELL and the ANP in 1958, and no information has been located in WFO files to indicate this relationship has been renewed.

On December 11, 1963, WFO furnished a LHM to Secret Service regarding ARROWSMITH's anti-Semitic activities, and other pertinent information herein also has been furnished Secret Service in White Party of America (WPA) communication.

FOIA(b) (7) - (D)

On 9/15/65, [redacted] identified KARL ROGERS ALLEN, JR., as Party Leader of WPA. This informant said that ALLEN had been trying to obtain financial support from HAROLD ARROWSMITH, a "monied man," who was formerly associated with GEORGE LINCOLN ROCKWELL, the self-styled National Commander of the ANP. ALLEN wanted the support of ARROWSMITH but he was concerned lest ARROWSMITH would insist upon having control of the WPA in return for his financial support. For this reason ALLEN had been very cautious in his dealings with ARROWSMITH.

WFO 157-721

On 4/5/66, [redacted] related that HAROLD ARROWSMITH said he would furnish \$200 to the WPA for mailing purposes and all the WPA has to do is address the envelopes. One CHRISTOPHER BAILEY is helping ARROWSMITH operate his printing press and ARROWSMITH has promised him \$300 in gifts as payment. ARROWSMITH is doing the printing work for the WPA and he printed an issue of "The White Letter," an official WPA publication.

(A copy of this letter was furnished by [redacted] and examined by FBI Lab as set out in relets.)

On 6/17/66, [redacted] informed that no additional issues of "The White Letter," official WPA publication, have been published since the issue, dated April, 1966, however, another issue of this paper is planned for the near future. He added that HAROLD ARROWSMITH will continue to do the printing for the WPA. In this connection, ALLEN has a large supply of paper on hand and he will furnish the necessary paper on which any printing is done.

On 3/8/66, [redacted] advised that HAROLD ARROWSMITH, "3707 Greenway, Baltimore, Maryland," had attended a meeting of WPA held on 3/6/66 at its headquarters, 1019 King Street, Alexandria, Virginia.

The following informants who have knowledge of some phases of Communist Party (CP) and related activities in the Washington, D.C. area, advised that they had no information regarding ARROWSMITH:

[redacted] contacted 6/22/66 by SA

CLIFFORD F. ARNEY, JR.

[redacted] contacted 6/29/66 by SA

JOSEPH E. KELLER.

FOIA(b) (7) - (D)

WFO 157-721

Records of The Credit Bureau, Inc., contacted 5/23/66 by IC KENNETH SHAFFER, and on 7/12/66 by SA PHILIP G. JACKSON, showed a satisfactory credit record for ARROWSMITH, described as a "man of great means," except that Campbell Photo and Printing Service, Inc., 1328 I Street, N.W., said he was "slow paying," and they still do business with him on a cash basis.

Records of the U.S. Park Police, checked 5/24/66, and 7/11/66, by IC WILLIAM H. LYERLY, JR., contained no identifiable information for subject.

Records of the Metropolitan Police Department, reviewed on 5/24/66 and 7/12/66, by IC KENNETH SHAFFER contained no record for ARROWSMITH. It is to be noted that at all times an indefinite number of unidentified records are out of file and not available for review.

On 7/13/66, Mrs. MARY MONTGOMERY, Manager's Office, Congressional Hotel, 300 New Jersey Avenue, S.E., confidentially advised that subject for the past several years has continued to reside in Room 621. No complaints have been received by the management in his regard. He is very friendly with the help and with other guests. He is not employed and is considered a man of considerable means. He spends some of his time at the Library of Congress in research matters. She has no knowledge of his associates, nor of any of his activities outside of his life at the hotel. As far as she knew he has a very stable personality and is conservative in his conduct.

From this review of ARROWSMITH's activities, it appears that he is not taking an "active part" in the leadership of the WPA, and that the leader, ALLEN, is interested in continuing their casual relationship.

Therefore, it is not contemplated that WFO will take further action in this matter at this time.

APPENDIX

WFO 157-721

WHITE PARTY OF AMERICA

On September 16, 1965, Karl Rogers Allen, Jr., who identified himself as the leader of the White Party of America (WPA), advised that he, along with several other former members of the American Nazi Party (ANP), formed the WPA during the early part of 1964 in order to advance the cause of the white man in the United States and eventually throughout the world.

This organization was officially launched on April 11, 1964, when it sponsored picketing in Washington, D.C., Richmond, Virginia, and Baltimore, Maryland, in opposition to civil rights legislation and civil rights demonstrations. Its national headquarters was transferred from 1216 New York Avenue, N.W., Washington, D.C., to 1019 King Street, Alexandria, Virginia, on April 1, 1965.

It was initially the aim of the WPA to sponsor picketings and demonstrations where it was believed such would be of value and to publicize its program through pamphlets and similar media. The WPA has been inactive due to a lack of funds and its only publications to date have been the April and May, 1964, issues of its official publications, "The White Letter."

He added that the WPA is still in the formative stage but it will uphold the constitution of the United States and will always act within the limits of the law. He noted that the WPA will serve as a "home for people who want to preserve the white race" and cannot find a home for themselves in either of the major political parties in the United States.

On May 24 Irwin M. Herrman, Research/Records Secretary of the Ditchley Foundation, phoned the reporting officer to inquire urgently about one Harold N. Arrowsmith. Herrman said Arrowsmith was then conferring with Miss Elizabeth Monroe of the Middle East Center, St. Antony's College, Oxford, and Miss Monroe had become suspicious of Arrowsmith's motives. Herrman thought this Arrowsmith might be the same man he recalled, from previous work with the American Council for Judaism in Washington, as a "neo-Nazi". If so, Miss Monroe should know so she could handle Arrowsmith with due circumspection. The r.o. said he would ascertain if the Embassy had any pertinent information on Arrowsmith.

Pursuant to the Ref CA, the r.o. confirmed to Herrman, on a non-attribution basis, the latter's recollection of Arrowsmith's political leanings. The r.o. agreed that Herrman should discreetly warn Miss Monroe, and said we would appreciate Miss Monroe's impressions of Arrowsmith.

In a May 26 letter (copy enclosed) Miss Monroe described her May 23/24 encounters with Arrowsmith. According to this account, Arrowsmith wanted to search the Mark Sykes papers for data regarding the origin of the Balfour Declaration, offered 1,000 pounds for photographs of the Zionist archives of 1916-19 if Miss Monroe could help him avoid paying the U.S. tax on that expenditure, and indicated that he represented the Library of Congress.

Dear Mr Palmer.

Ivorin Herman tells me that you would like some comment on a Mr Arrowsmith of Washington D.C. who visited St Anthony's Middle Eastern Library on two days last week - May 23 & 24.

He at once struck me as odd because he said that he had sent a telegram asking to see the Mark Sykes papers (which the Public Record Office had told him I had) because he had not wished to court a refusal by telephoning in a "foreign" voice. He also talked incessantly, and as if I had nothing better to do than listen to him.

What he was looking for in the Sykes papers was proof that the Anglo-Armenian James Malcolm had conceived the idea of the Balfour Declaration before the fall of the Aspinwall govt. (Dec 1916) as a means of bringing U.S. Jewish pressure to bear on your Government & the U.S. into the war. This he did not find, & I do not think it exists.

As he did not seem to want this material for any academic purpose, and would not say why he wanted it, I decided to make some enquiries about him, with the result that you know.

During our conversation, he discovered that I exchange microfilms of documents of historical interest, frame for frame, with a library in Israel, and said he could let me have £1000 if I would get the whole of the Zionist archives for 1916-1919 photographed, as this would save his going to Israel. I could thereafter keep the photographs, provided I had fixed, as an academic institution, to get him off U.S. tax.

He returned next day with a lot of very interesting photostats from the British Museum, Beowulf and Public Record Office archives, most of which I had not seen - He said I could photograph these, and seemed nettled when I said that for reasons of space and money I reproduced nothing that was so easily available in London.

Some of his stuff was British reporting of events in Russia during

the Deniken-Wrangle period I showed that some British officials had swallowed the "Jewish-Bolshevik conspiracy to world revolution" story, though this was hotly contested by Bruce Lockhart.

Again he was nettled when I said I was not interested in this, as in the light of hindsight I knew that the people by whose opinions he set so much store had been wrong.

He had drawn many wrong deductions from the papers (which I could specify if you were to want them); he was interested only in the odd sentences which, taken out of context, illustrated his own theories & he clearly disbelieved me when I said that I had known Makhlin, Lord Robert Cecil et al.

I told him that I could not help him over US tax, when I asked him again what he was going to do with all his photocasts he said: Deposit

them in some deserving library; probably the Library of Congress." At the outset he had said that he came from there, but as he did not know any of my acquaintances in the Middle East section of its staff, I realized at once that he was not an official. This I should imagine he would have had me believe.

When he said that he was getting nowhere, his party shot was that he heard St. Anthony's was a beneficiary of Ford foundation funds, the support I knew that that foundation also supported Stokely Carmichael and Black power. At that I drove him to the station. All was perfectly amicable but I do not think that he will call again. Yours sincerely with apologies for manuscript. Webster Monroe

Re WFO letter dated 5/31/66, which transmitted material reportedly from the White Party of America (WPA), 1019 King St., Alexandria, Va. It was requested that the FBI Laboratory determine whether or not the paper utilized by the WPA may have been part of a shipment from Frank Parson Paper Co., Washington, D. C., to HAROLD NOEL ARROWSMITH.

For information, on 6/17/66, [redacted] advised that KARL ROGERS ALLEN, JR., leader of the WPA, has a large supply of various kinds of paper on hand at WPA headquarters. It is not known specifically from what source he obtained this paper, but the informant was sure that ALLEN has not obtained any paper from either HAROLD NOEL ARROWSMITH or the Frank Parson Paper Company.

He added that material like the leaflets forwarded to the Bureau by relet is printed on a mimeograph machine at WPA headquarters; however, ARROWSMITH did print the April, 1966, issue of "The White Letter," official WPA publication.

HAROLD NOEL ARROWSMITH, JR.

Records of The Credit Bureau, Incorporated, were reviewed on July 18, 1968, and they contained a report dated April 23, 1963, which described Harold Arrowsmith, 300 New Jersey Avenue, S. E., Washington, D. C. (WDC) (Congressional Hotel), as a "man of great means," "the son of a prominent Baltimore family"; "he does work more or less as a hobby helping various causes, reforms, etc." This report showed that Arrowsmith was at one time associated with George Lincoln Rockwell of the American Nazi Party (ANP); that Arrowsmith travels a great deal, and that he has associated himself with various forms of anti-semitic activities.

Rockwell and the ANP are described in the appendix pages.

During 1963, Assistant United States Attorney Harold H. Titus advised Special Agents of the Federal Bureau of Investigation (SAs of the FBI) that he was declining prosecution of Harold Arrowsmith as representing himself as an employee of the Library of Congress on the grounds of lack of sufficient evidence for prosecution.

Harold Noel Arrowsmith, 300 New Jersey S. E. was connected with purchase of paper stock which was used by the National States Rights Party (NSRP), in the dissemination of a leaflet entitled "Governor George C. Wallace -- last chance for the White Voter".

The NSRP is described in the appendix.

ENCLOSURE

HAROLD NOEL ARROWSMITH, JR.

A source who has furnished reliable information in the past, advised on March 8, 1966, that Harold Arrowsmith attended a regular meeting of the White Party of America (WPA) in Alexandria, Virginia, on March 6, 1966.

The WPA is described in the appendix.

On April 1, 1966, this source advised that Arrowsmith offered to furnish the WPA \$200 for mailing purposes. According to this source, Arrowsmith is doing the printing work for the WPA and printed Volume II, Number 1 issue of "The White Letter," dated April, 1966.

On July 6, 1966, Eugene Bond, Manager of Reliable Bindery Corporation, 1240 W Street, N.E., WDC, advised an SA of the FBI that Arrowsmith had contracted with his firm to cut and bind the following publications into brochures:

1. "Zionist Leaders Conspire to Railroad the United States into a Third World War, March, 1966 - The Palestine Arab Delegation 441 Lexington Avenue, Room 509, New York, N.Y., 10017"
2. "Origins of the Balfour Declaration - Dr. Weizmann's Contribution, by James A. Malcolm - London, 1944."

With respect to the latter publication, Mr. Bond advised that about 5,000 copies had been processed by his firm for Arrowsmith.

James Louis Anderson, Co-owner of Comp-O-Type, Incorporated, 1339 Green Court, N.W., advised an SA of the FBI that Arrowsmith contracted with his firm to typeset 40 pages of a brochure entitled, "Zionist Leaders Conspire to Railroad the United States into a Third World War, April, 1966 (Second Edition)."

HAROLD NOEL ARROWSMITH, JR.

Eugene Bond advised on July 20, 1966, that his firm processed 25,000 copies of above publication.

Harold Noel Arrowsmith, Jr., furnished the following information to Special Agents of the Federal Bureau of Investigation on October 16, 1958:

He advised that he is a person of "considerable means" who has for two years engaged in private research work dealing with the "Jewish" influences on American life. He conducts this research at the Library of Congress, National Archives and the Department of State in Washington, D. C., and at various government agencies abroad, such as the British Foreign Office in England. During this research, Arrowsmith has obtained copies of various documents allegedly showing that Zionism is nothing more than "subversion" and "treason." He stated that he has had many of these documents reproduced and sent to various government officials including members of Congress.

He advised that since starting his research, he has encountered considerable difficulty in securing the services of commercial printers to reproduce his documents and therefore had made arrangements with Rockwell to perform some of the printing functions of his material. These arrangements included the purchase of printing presses and related equipment and making substantial donations toward Rockwell's operations.

According to Arrowsmith, certain policy, personal and monetary differences arose between Rockwell and himself which led to a severance of their relationship. This break was related to have occurred during August, 1958.

Arrowsmith stated that he is very Anti-Jewish and repeated on numerous occasions that his major interest was to reveal to the world his belief that World War I was a result of an International Jewish Conspiracy. He stated that even though he is very Anti-Jewish, he is opposed to acts of violence or any other illegal activity in the furtherance of his beliefs.

APPENDIX

**NATIONAL SOCIALIST WHITE PEOPLE'S PARTY,
Also Known As The American Nazi Party,
American Nazis, the World Union of Free
Enterprise National Socialists,
the George Lincoln Rockwell Party**

On September 8, 1967, a source, who has furnished reliable information in the past, advised that the American Nazi Party - World Union of Free Enterprise National Socialists (ANP - WUFENS) was organized by GEORGE LINCOLN ROCKWELL at Arlington, Virginia, on February 26, 1956. It was based upon the concept of an international "National Socialist" movement, as espoused by the German Nazi Party, which was headed by ADOLF HITLER. The ANP-WUFENS supports and follows the line of hatred against Negroes, Jews, and Communists, through speeches, published literature, demonstrations and publicity-seeking devices for the purpose of seeking a legitimate dominant political party within the United States and in foreign countries.

"The Richmond News Leader" issue dated April 4, 1963, published daily at Richmond, Virginia, stated that this organization is chartered in the State of Virginia as "The George Lincoln Rockwell Party" and that the Virginia Assembly prohibits the use of "Nazi" or "National Socialism" in a Virginia-chartered organization. As of January 1, 1967, the official name of this organization was changed to "National Socialist White People's Party," according to Commander ROCKWELL.

On August 25, 1967, GEORGE LINCOLN ROCKWELL was assassinated in Arlington, Virginia, near the ANP Headquarters Building. The August 28, 1967, issue of the "Northern Virginia Sun," a daily newspaper published at Arlington, Virginia, stated that MATTHIAS KOEHL, JR., took command of the Party after ROCKWELL's assassination.

APPENDIX

NATIONAL STATES RIGHTS PARTY (NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of Klan-type organizations and notorious anti-Semites.

Issue No. 19, dated June, 1960, of "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

Issue No. 69, dated July, 1965, of "The Thunderbolt" announced the address of the new headquarters of the NSRP as Post Office Box 184, Augusta, Georgia.

Issue No. 88, dated April, 1967, of "The Thunderbolt" announced the address of the new headquarters of the NSRP as Post Office Box 6263, Savannah, Georgia, 31405.

On August 4, 1965, a source advised that Edward R. Fields, the Information Director of the NSRP and Editor of "The Thunderbolt," is the individual who actually controls the NSRP.

Issue No. 72, dated November, 1965, of "The Thunderbolt," reflects Dr. Edward R. Fields to be National Director of the NSRP as well as Editor of "The Thunderbolt."

"The Thunderbolt" continues to publish articles attacking Negroes and persons of the Jewish faith.

APPENDIX

WHITE PARTY OF AMERICA

On March 13, 1967, Karl Rogers Allen, Jr., who identified himself as leader of the White Party of America (WPA), advised that he, with several other former members of the American Nazi Party (ANP), formed the WPA during the early part of 1964 in order to advance the cause of the white man in the United States and eventually throughout the world.

This organization was officially launched on April 11, 1964. The National Headquarters was transferred from 1216 New York Avenue, N.W., Washington, D. C., to 1019 King Street, Alexandria, Virginia, on April 1, 1965.

It was initially the aim of the WPA to sponsor picketings and demonstrations where it was believed such would be of value and to publicize its program through pamphlets and similar media.

Allen stated that the WPA is a racist-type organization with approximately 50 members, 40 of whom are from the Washington, D. C., Metropolitan area. Approximately 150 persons or organizations subscribe to the official paper of the WPA, "The White World."

Allen stated that the purpose of the organization is political in nature and definitely non-subversive but adheres completely to the Constitution of the United States.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.
